Save the Date: June 13 & 14, 2018 World Passive Components Trade Statistics Meeting

Location: Atlanta, Georgia

Mark your calendars now, the 2018 World Passive Components Trade Statistics meeting will be held in Atlanta, Georgia on June 13th and 14th 2018.

The World Passive Component Trade Statistics Meeting is comprised of three regionally operated trade associations whose legacy organizations (EPCIA, JEITA, and ECIA) have been publishing global statistics for passive components for more than 30 years. The forum rotates regionally every two years, providing an on-going refresh and review of processes, practices and procedures to continuously assure legal and regulatory compliance at every step. The WPTS statistics programs are recognized worldwide for accuracy, quality of data, and industry participation.

If your company is a manufacturer of passive components, you or a company sales and/or marketing representative should plan to attend this meeting. Meeting location and agenda will be published at a later date and posted on www.ecianow.org.

PAID's Spring 2018 Career Fair Texas A&M Industrial Distribution

Dwight Look College of Engineering
**INDUSTRIAL DISTRIBUTION
PROGRAM**
TEXAS A&M UNIVERSITY

The PAID Spring Career Fair will be held on February 1st, 2018 in the Hall of Champions in Kyle Field. There will be more than 80 companies across all industries, and over 800 students to be expected in attendance.

Recognized Recruiter Sponsorship Opportunity

This option gets you one booth (10' x 8') the day of the career fair, as well as an invitation to the Networking Social that is held the night before. This is a more casual opportunity for students and industry partners to interact before the Career Fair the following day.

For registration please contact [Cole Willbanks](#), PAID President at Texas A&M University, at: (281) 744-7003 or visit the [Career Fair Registration](#) page.
