Weekly Economic Trends National Association of Manufacturers
Chief economist Chad Moutray provides weekly analysis of key U.S. government economic data and manufacturing

ECIA Welcomes New Members

ECIA is pleased to welcome the following companies to its roster of prominent electronic component distributors, suppliers and manufacturers' reps.

From the component manufacturer sector, **Cypress Semiconductor**, **Marquardt Switches**, **Samtec**, and **Leader Tech Inc.** have joined the organization recently.

From the distributor community, ECIA welcomes **Component Distributors, Inc.** and **Benchmark Connector Corporation**.

Strategic Automation Services and **John F. Kilfoil Company**, both manufacturers' rep organizations, have also joined.

"ECIA continues to build its community of committed industry leaders who see the benefits of joining forces and tackling industry issues together," commented Bill Bradford, ECIA's President and CEO. "We look forward to working with these dedicated companies to address common challenges and bring efficiencies to the component supply chain."

Save the Date: Boston Regional Event
Thursday, June 7th | Westin Waltham

The Regional Series meetings provide an excellent avenue to introduce your local team to the association and industry peers. Each meeting explores industry issues at the local level and features experts on those topics of interest.

Company executives and branch personnel - along with their supply chain partners - enjoy a hosted social hour and dinner in a relaxed environment. Make plans to attend on June 7th from 4:00 - 7:00. Click here for details and to register.

EDS All Industry Breakfast
Thursday, May 17th | Join us, It's Free!

Join us Thursday morning, May 17th at the all industry breakfast event sponsored by ECIA and ERA in the Mirage Events Center C1 from 6:45 a.m. to 8:00 a.m.

industry trends in the Monday Economic Report.

This information is made available through ECIA's membership in NAM.
