## Save the Dates!

Aug. 7th: Dallas/Ft. Worth | Oct. 2nd: Minneapolis

The Regional Series events provide an excellent avenue to network. Company executives and branch personnel - along with their supply chain partners - enjoy a hosted social hour and dinner in a relaxed environment. Make plans to attend from 4:00 - 7:00. [Click here for details and to register.](#)

## A Busy Month for Standards

Participation in ECIA standards programs is open to all individuals who are directly and materially affected by matters addressed by the work. The EIA Standards Council (ESC) is presently specifically seeking additional participation by the User category. This typically includes, but is not limited to, OEMs, ODMs, Contract Manufacturers, and Electronics Distributors.

The ECIA Standards Department is starting off the second quarter of 2018 with a very full plate! Staff attended the ANSI 100th Anniversary Gala at Union Station in Washington, DC, which celebrated a century of voluntary standards in the US. Ed Mikoski, Vice-President of Standards and Technology hosted the 2018 Spring Engineering Summit in Savannah, GA and will be busy this week in New Orleans meeting with members of the CE-2 National Connector and Socket Standards Committee. New projects will be announced soon and, as always, members are encouraged to lend their expertise and become a part of the US and international standards development process.

For more information on these projects or the EIA Standards Program, please contact Edward F. Mikoski Jr, MBA, CStd, FSES, Vice President of Standards and Technology at: [emikoski@ecianow.org](mailto:emikoski@ecianow.org) or (571) 323-0253.

## Executive Conference Sponsor Opportunities

Securing the Future: Your Business, Your Talent, Your Customers

The conference theme is all about being secure in an increasingly digitalized and globalized industry - security in your data,

your workforce, and your future revenue streams. As governments begin to enact regulations to protect their citizens and national interests, companies operating globally will need to react with precision and the best business intelligence available.

Executive Conference sponsors know that their support of this premiere industry event is critical. It ensures a vital networking and learning opportunity for the electronic components industry's key decision makers. Join an elite group of companies and sponsor a break, the wifi, or an individual session. [Click here](#) to review the opportunities or contact [Debbie Conyers](#) for more details. Sponsorships range from \$1,000 to \$6,000.

### Did You Know?

ECIA has an events mobile app

Download the ECIA Events app to access details of 2018 events. Resources, sessions, notifications...all at your fingertips! Search for [ECIA Events](#) in the App Store or Google Play or access the app from your web browser. Visit [app.resultsathand.com/ecia](http://app.resultsathand.com/ecia) to access the information on your smartphone, tablet, or PC.

Once you have access, sign in with your work email address and create a passcode to secure your profile. Tap Profile to update your information, upload a picture, and adjust your sharing settings.

The ECIA Events App is open year-round to manage and access information on the Regional Events and the Executive Conference.

Take advantage of the information provided to enhance your meeting experience.

[Keep Getting This Newsletter](#). Don't let future editions of The Source go missing. Take a moment to add the newsletter's address to your anti-spam white list: [ECIANews@ecianow.org](mailto:ECIANews@ecianow.org). If you're not sure how to do that, ask your administrator or ISP or check your anti-spam utility's documentation. Thanks.
