Dallas Regional Event Features Presentation on Blockchain + Industry Issues Panel

Aug.7th: Register Today

The Dallas/Ft. Worth Regional Series event will be held at the [Sheraton DFW Airport Hotel](#) on Tuesday, August 7th.

Regional Series events provide an excellent avenue to network. Company executives and branch personnel - along with their supply chain partners - enjoy a hosted social hour and dinner in a relaxed environment. Make plans to attend from 4:00 - 7:00.

Registration fees are \$50 for ECIA/ERA members and university faculty; \$75 for non-members; and \$40 for young professionals.

Space is limited - [register today!](#)

The industry is facing a number of challenges along with greater opportunities for growth. Join a panel discussion with industry subject matter experts led by ECIA's Don Elario, Vice President of Industry Practices. From the recent tariff increases to industry regulations affecting quality - learn what to expect from TTI's Chris Goodman, CFO and Kevin Sink, VP of Quality. Randy Lawson, Associate Director and Senior Principal Analyst, Semiconductor and Displays Technology from IHS Markit will share his insight on

the important topic of Blockchain. Learn how the semiconductor industry is supporting the rapidly exploding hardware requirements necessary to blockchain adoption.

Securing the Future: Your Business, Your Talent, Your Customers

When all is said and done, you can't do business unless your company, your employees and your customers are secure. It's the bedrock of growth and prosperity and threats coming from global political uncertainty and new data technologies have undermined confidence throughout the global economy. This year's ECIA Executive Conference focuses on solutions and strategies to secure your business, your employees and your customers.

Early registration discounts are available through September 28th.

[Visit the conference page](#) for information on early registration and hotel accommodations at the [Loews Chicago O'Hare hotel](#).
