## TPC Survey | December Trend Statistics

TPC's December 2018 Semi industry survey results shows continued weakening across several metrics for Semiconductor and Passive component demand. [Click here](#) to download and review the complete report.

Technology Partners Consulting, (TPC) provides independent third party consulting to electronics suppliers and financial services firms. TPC provides ECIA with a monthly report on a market trends survey administered by Glenn Hitchcock, TPC founder and president. The report provides results from a survey sent to 20,000 electronic industry professionals across the globe to assess their expectations for order activity and inventory levels.

## ECIA Wishes You All the Blessings of the Season!
