FOR IMMEDIATE RELEASE

ECIA Welcomes 14 New Members

Atlanta, GA - ECIA is pleased to welcome the following new members this quarter:

Three component manufacturers joined ECIA, namely: [Semitech Electronics Inc.](#), [Indium Corporation](#), and [Nexperia USA Inc.](#)

[Bel Fuse Inc.](#) has enrolled the following brands as members: [Stewart Connector](#), [TRP Connector](#), [Bel Power Solutions](#), [Bel Magnetics](#), [Signal Transformer](#), and [Cinch Connectivity Solutions](#).

Two manufacturers' rep firms joined the organization: [Dy-Tronix, Inc.](#) and [Omega Sales](#).

And from ECIA's third category of members, two distributors joined, [A.E. Petche](#) and [Powertech Controls](#).

"We are very pleased to welcome such a fine group of companies to our organization," commented Bill Bradford, ECIA's President and CEO. "The enthusiastic response to ECIA's reorganization is a testament to the power of listening to our members, and to the board's efficient implementation of the new association structure. We are proud to welcome these leaders in their industries and look forward to working with them to address industry challenges and provide opportunities for learning and networking."

About ECIA

The Electronic Components Industry Association (ECIA) is made up of the leading electronic component manufacturers, their manufacturer representatives and authorized distributors. ECIA members share a common goal of promoting and improving the business environment for the authorized sale of electronic components. Comprised of a broad array of leaders and professionals representing all phases of the electronics components supply chain, ECIA is where business optimization, product authentication and industry advocacy come together. ECIA members develop industry guidelines and technical standards, as well as generate critical business intelligence. For more information, visit www.ecianow.org or call 678-393-9990.
