

# A WORLD OF BEST PRACTICES

FOR THE ELECTRONIC  
COMPONENTS INDUSTRY

Electronic Components Industry Association

A large graphic of a globe composed of a network of blue and grey nodes connected by thin lines, representing a global network or data flow. The globe is positioned on the right side of the image, partially overlapping the text.

**GIPC**

## Mission

Through a non-competitive, collaborative effort, the GIPC and SMEG's will work to recognize common, global problems and issues and formally organize to discover, leverage and guide with best practices while pursuing operational efficiencies throughout the electronic components global authorized channel.

## Vision

- Drive Efficiencies and Standardization through Best Practice Awareness
- Advocate Solutions to Common Problems in the Electronic Component Authorized Channel
- Coordinate Resources to Benefit ECIA Members
- Advance Customer Experience in the Global Supply Chain

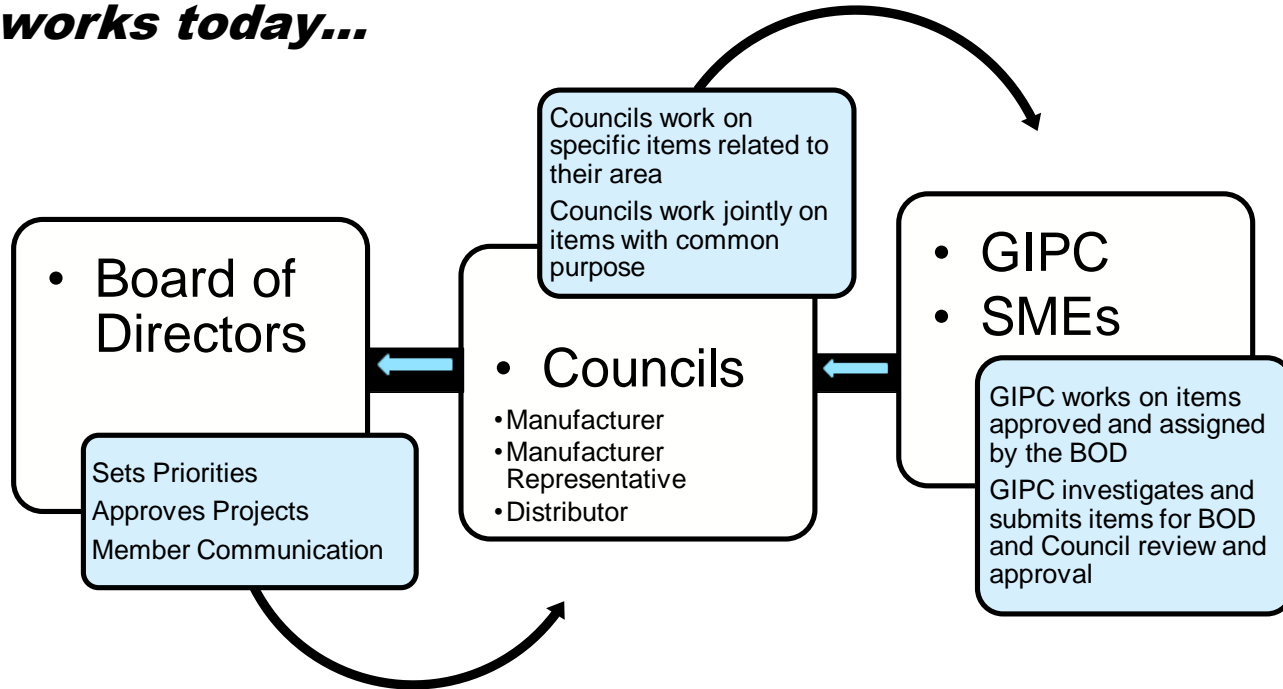

# Why *(Participate in the GIPC or a Subject Matter Expert group?)*

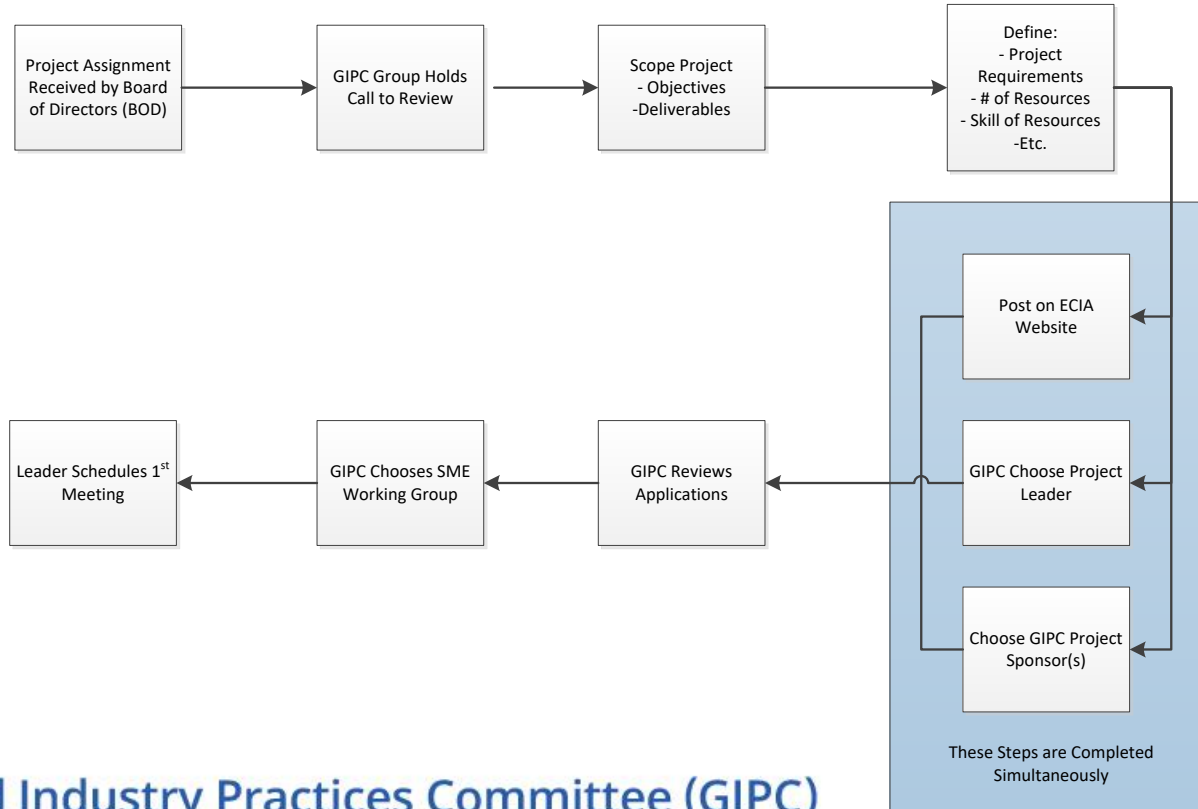

- Opportunity to Influence
- Impact Your Company's Efficiencies and Standardization through Best Practice Awareness
- Collaborate on Common Challenges and Obstacles in Your Area of Expertise
- Industry Networking
- Take Advantage of this Talent Development Platform

## *How it works today...*
