

A Report on U.S. Government's Webinar on COVID-19

Robin B. Gray, Jr., ECIA's Chief Operating Officer and General Counsel, participated in a webinar March 2, hosted by the White House regarding the Coronavirus. The webinar featured numerous senior officials from the WH, CDC, Homeland Security, State, DOT, HHS, and Treasury.

This event was by invitation only to industry leaders and specifically excluded press. The purpose of the conference call was to answer questions from employers that the federal government has been receiving about the disease. There was no Q&A. [Read the complete report here.](#)

Market Update Webinar

Friday, March 6: 11:00 AM Eastern

ECIA will continue to monitor the Coronavirus impact and provide timely updates as they become available. Join us for the market update webinar with ECIA's Chief Analyst Dale Ford this Friday, March 6 at 11:00 AM Eastern.

With rapidly changing data from multiple surveys and economic reports, ECIA members and others will want to stay on top of the situation as they respond to the crisis. Dale's presentation will focus on the state of the market and provide up-to-the-minute information on the Coronavirus and its impact on the electronics components supply chain.
