FOR IMMEDIATE RELEASE

## **ECIA Announces Webinar on Business Impact of Latest Stimulus Legislation**

Atlanta – ECIA will host a webinar **for members only** entitled, “The New Stimulus Act: The Big Changes That Will Impact Your Business” on January 11 at 2 pm ET. Gene Marks, presenter, is a past columnist for both The New York Times and The Washington Post, and now writes regularly for The Hill, The Philadelphia Inquirer, Forbes, Inc. Magazine, Entrepreneur Magazine and The Guardian on business and the economy. He will take webinar attendees on a deep dive into all the changes business owners need to know about.

Topics include:

- Whether your company is eligible for PPP and other PPP changes
- New financing under the Economic Injury Disaster Loan program
- Special incentives for minority owned businesses
- Unprecedented savings on new SBA loans
- Changes and enhancements to tax credits and deductions

Members, [click here](#) and log in to gain access to the webinar presentation registration.

If you are with an ECIA member company, but don't have an ECIA profile set up on the website, please create one before attempting to register. Click on the Create a Profile button under Quick Links on the right side of the page.

EDITORS: If you want to register for this webinar, contact Jennifer Read, [jread@ecianow.org](mailto:jread@ecianow.org) for a registration link.

### **About ECIA**

The Electronic Components Industry Association (ECIA) is made up of the leading electronic component manufacturers, their manufacturer representatives and authorized distributors. ECIA members share a common goal of promoting and improving the business environment for the authorized sale of electronic components. Comprised of a broad array of leaders and professionals representing all phases of the electronics components supply chain, ECIA is where business optimization, product authentication and industry advocacy come together. ECIA members develop industry guidelines and technical standards, as well as generate critical business intelligence. For more information, visit [www.ecianow.org](http://www.ecianow.org) or call 678-393-9990.
