

**2025**

ECIA speaks for hundreds of companies who are involved in the manufacture and sale of authorized, genuine electronics components. They care about keeping up with industry trends and statistics, value their employees and know that speaking as one voice on important issues is good for the industry and for themselves.

ECIA events bring you face-to-face with the leaders of the authorized electronics components industry. We bring the industry together to focus on trends, best practices, and pertinent issues.

October 19-21, 2025 • Westin O'Hare Hotel (2024 opportunities and pricing available now until January 15!)

The Executive Conference is the only conference where 400 senior management teams from the electronics industry's leading companies - representing the entire supply chain - gather to understand and address cross-enterprise challenges. This is where you gain access to industry experts and knowledge, forge the relationships that can make a real difference, and learn how to remove roadblocks to success.

### What attendees say:

- *"The speakers were fantastic ... moving and inspirational! The networking is my favorite part!"*
- *"Networking is always one of the critical pieces I look forward to during these events. The final speakers both days were fantastic, great messaging and takeaways."*
- *"The ECIA Conference is one I look forward to every year. It not only tells me about the current trends but it makes me think about what's going to happen."*
- *"Clearly the ECIA Committee responsible for this conference did an outstanding job with the mix of speakers overall. Hope this strategy will continue to apply to future conferences."*
- *The networking is the best! Plenty of meet ups in a short time at the senior executive level.*
